ABOUT ME

I am a professional web developer and i have been working in this field for 7 long years.

I have a bachelor's degree in Computer Science from the Gajayana University of Malang Indonesia and a coursework for Front-end Web Design.

I keep myself up to date with new technologies and its uses, new tools and computer languages so that I can give my level best to my clients. I believe in hardship and hiring me would not fail your decision. Thank you.
